

Orthodontic Retreat 2023

Presented by: Bradford Williams, DDS

Dillon, CO

May 19-20, 2023

Open to AOS Members ONLY

Join us **May 19-20** for a weekend orthodontic retreat with Dr. Williams

If you love orthodontics so much that you'd love to get together with a small group of like-minded doctors to explore advanced concepts and discuss unique cases, this Orthodontics Weekend Mountain Retreat is for you.

Spend part of your day in course attendance and part soaking in the beautiful Colorado sunshine as you enjoy mentorship and networking in the great outdoors.

Location

The location of the retreat is an incredible stand-alone home in the prestigious Keystone Ranch neighborhood in Dillon, CO.

Address:
203 Gentian Road, Dillon, CO

**Lodging is an optional add-on, you are welcome to choose your own accommodations.*

Lodging

The AOS Orthodontic Retreat is unlike any other course the AOS offers. It will be held in a mountain lodge in an intimate setting.

Amenities include:

- An executive chef
- A morning yoga class
- A sauna and hot tub
- A game room
- Nearby mountain hiking trails
- Outdoor pool with a mountain view
- Tennis courts
- An onsite restaurant

Food and Drinks

PROVIDED BY ADI McCASLAND

Adi is a food lover who loves to source local ingredients that are in season. She is planning our meals with options to accommodate dairy and gluten allergies. There will also be options for those with vegetarian preferences.

No event would be complete without a good variety of beverages. Adi will be sourcing locally roasted coffee as well as an assortment of wines and other evening drinks.

Course Details

Orthodontic Mechanics & Straight Wire Case Finishing

A course that is for doctors who have a basic to intermediate understanding of orthodontics but want to explore more advanced concepts or unique case finishing techniques.

Mentoring: Case reviews and orthodontic treatment planning & problem solving.

Arrive on Thursday, May 18, 2023

The format will be a bit more free-flowing than a standard course. Half the day will be dedicated to lecture and half to mentorship which can include golfing, hiking, etc.

**This course is only open to AOS members.*

Bradford R. Williams, D.D.S.

Dr. Williams, a rural Oklahoma general practice dentist, took his first orthodontic course from the AOS in 1983. Over the last 30 years, he has gained experience in three major techniques (Begg, Tip-Edge, and Straight Wire), in which he has completed well over 1,000 cases. Dr. Williams is a Diplomate of the AOS, a former Board Member, and Senior Instructor for the Basic and Intermediate courses in Non-Extraction Straight Wire Orthodontics.
